5. **Barriers Encountered (please refer back to the corresponding ABF 5(O) and provide an update on the barriers encountered from July 1 to date)**: In Story County, the Ames, Ballard, and Nevada School Districts do not allow access to youth. There is a direct correlation between access to the youth and the number of youth served. We continue to every year to make additional efforts to get access to youth for the Scouting Program. Churches, service organizations, community organizations and schools are approached in order to access youth for the Scouting program. Due to our nonprofit status it is difficult to put together funds for traditional marketing campaigns.
