

## MID-YEAR REPORT FOR OUTCOME PROGRESS

***Reporting for: July 1 – November 30 of the current year!***

**Agency Name:** All Aboard for Kids

**Program Name:** All Aboard for Kids Summer Camp

### **Brief Description of Program:**

For summer 2019, we operated two half-day programs each spanning two 2-week sessions in the months of June and July.

- The Full Steam Ahead program targeted kids grades K-5. This program was held at the Gilbert Elementary School and consisted of group activities designed to educate and enrich across a variety of topics. This was our third year running this program.
- The S.T.E.A.M. Academy (short for “Science, Technology, Engineering, Art, & Math”) program targeted adolescents grades 6-8. We designed our own project-based curriculum incorporating topics ranging from music to stop-motion animation to building your own computer.

Both programs were held in separate classrooms at The Plex facility north of Ames.

Yes. On two separate occasions, we declined admission to a child. In both cases, after interviews with the parents, it was determined that our program was not adequately equipped to ensure a safe learning environment for their child and the child's peers.
